

Internet Privacy Policy

Geo Pollution Technologies (UK) Ltd operates www.GPTenvironmental.co.uk This page informs you of our policies regarding the collection, use and disclosure of online data that can constitute as Personal Information we receive from users of the website.

The collection of online data is used for monitoring and improving the Site. Please read each sub-section below explaining the different processes that automatically collect Personal Information from users of the Site.

Log Data

Like many site operators, we collect anonymous information that your browser sends whenever you visit our Site ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics. IP addresses are recognised as a form of Personal Information as they may be combined with other online data sources to identify you personally. Geo Pollution Technologies (UK) Ltd will not knowingly combine any online data sources in order to identify an individual. All log data will remain anonymised and aggregated.

Third Party Service

We use the third party service Google Analytics to collect, monitor and analyse the data in order to improve the effectiveness of our website. Google Analytics has updated their data protection policies in line with GDPR to include a consent policy. Google Analytics also anonymise and aggregate data so as to eliminate the potential for personal identification.

Communications

Should you contact us via the "email us" form we will use your personal information to contact you in regards to your query.

Cookies

*Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive. Like many sites, we use "cookies" to collect information. **You can instruct your browser to refuse all cookies** or to indicate when a cookie is being sent.*

Security

The security of your online data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. We strive to use commercially acceptable means to protect your online data and Personal Information.

Further Information

Please read through our Data Protection & Data Retention Policy for more information regarding personal data processing, security, retention and your rights in regard to GDPR. All Subject Access Requests (SAR) to be made in writing to our office: admin@gptenvironmental.co.uk

Contact Us

If you have any questions about this Privacy Policy, please contact us.
